CASE NO. 1:21-CR-00130-JLT-SKO

STIPULATION REGARDING EXCLUDABLE  
TIME PERIODS UNDER SPEEDY TRIAL ACT;  
FINDINGS AND ORDER

DATE: May 14, 2024  
TIME:  
COURT: Hon. Jennifer L. Thurston

**STIPULATION**

Plaintiff United States of America, by and through its counsel of record, and defendant, by and through defendant's counsel of record, hereby stipulate as follows:

1. By previous order, this matter was set for jury trial on May 14, 2024.
2. By this stipulation, defendant now moves to continue the jury trial until August 27, 2024, and to exclude time between May 14, 2024, and August 27, 2024, under 18 U.S.C. § 3161(h)(7)(A), B(iv) [Local Code T4].
3. The parties agree and stipulate, and request that the Court find the following:
  - a) The government has represented that the discovery associated with this case includes reports, photographs, and audio files. All of this discovery has been either produced directly to counsel and/or made available for inspection and copying.
  - b) The government has represented that a plea agreement has been provided. The parties have been in active discussions regarding a potential resolution.
  - c) Counsel for defendant desires additional time to further review discovery, discuss

potential resolution with his client and the government, and investigate and prepare for trial.

d) Counsel for defendant believes that failure to grant the above-requested continuance would deny him/her the reasonable time necessary for effective preparation, taking into account the exercise of due diligence.

e) The government does not object to the continuance.

f) Based on the above-stated findings, the ends of justice served by continuing the case as requested outweigh the interest of the public and the defendant in a trial within the original date prescribed by the Speedy Trial Act.

g) For the purpose of computing time under the Speedy Trial Act, 18 U.S.C. § 3161, et seq., within which trial must commence, the time period of May 14, 2024 to August 27, 2024, inclusive, is deemed excludable pursuant to 18 U.S.C. § 3161(h)(7)(A), B(iv) [Local Code T4] because it results from a continuance granted by the Court at defendants' request on the basis of the Court's finding that the ends of justice served by taking such action outweigh the best interest of the public and the defendants in a speedy trial.

h) The parties also agree that this continuance is necessary for several reasons, including but not limited to, the need to permit time for the parties to exchange supplemental discovery, engage in plea negotiations, and for the defense to continue its investigation and preparation, pursuant to 18 U.S.C. § 3161(h)(7)(A) and 3161(h)(7)(B)(i) and (iv).

4. Nothing in this stipulation and order shall preclude a finding that other provisions of the Speedy Trial Act dictate that additional time periods are excludable from the period within which a trial must commence.

IT IS SO STIPULATED.
